

Unlimited CPE

Library Platinum

**Fulfilling the unique
needs of today's professionals**

The CPE Library

The CPE Library Platinum is the ultimate online CPE learning program. It combines the convenience of online self-study and on-demand webcasts with the benefits of live webinars. Our Platinum membership program provides you with unlimited CPE Credit for 12 months. You will have full access to over 1300 NASBA approved Live Webinars, On-Demand Live Webcasts and Self-Study courses, so you can complete as many CPE hours as you like. New courses and webinars will be added throughout the year to keep you current with any changing laws.

CPE Solutions LLC, dba Professionals Publishing Group is registered with the National Association of State Boards of Accountancy (NASBA) as a sponsor of continuing professional education on the National registry of CPE Sponsors.

State boards of accountancy have final authority on the acceptance of individual courses for CPE credit. Complaints regarding registered sponsors may be submitted to the National Registry of CPE Sponsors through its website: www.learningmarket.org.

Course Topics

Our CPE Library Platinum contains courses from a variety of fields of study, so you can meet all your CPE requirements in one place. The following fields are included with your purchase of our Platinum membership.

-  Accounting
-  Administrative Practice
-  Auditing, Business Law
-  Business Management & Organization
-  Communications
-  Computer Science
-  Finance
-  Fraud
-  Management Advisory Services
-  Marketing
-  Specialized Knowledge
-  Taxation

Online Self-Study Courses

Immediately access 100s of self-study courses from a wide variety of topics. These courses contain materials in a downloadable PDF format. For your convenience you will gain instant access to your Certificate of completions upon passing the included online, multiple choice exams.

Live CPE Webinars

Our CPE Library Platinum package includes access to over 400 live CPE webinars a year at various times of the day to make it easy to fit into your busy schedule. CPE Solutions live CPE Webinars allow you to receive live CPE Credit from your home or office without taking an exam! Our interactive live webinars focus on the most current and critical issues in your profession. You will receive live instruction and can discuss information in real-time with leading experts in their field.

On-Demand Live Webcasts

On-Demand Live Webcasts allow you to receive live CPE credit from your home or office without taking an exam! These "On Demand" webcasts focus on the most current and critical issues in your profession.
